URBAN LOGISTICS MADE EASY

The estate consists of four newly constructed Grade A warehouses, built to a high specification using steel portal frame construction. Each warehouse is detached, featuring secure, extensive yards and separate staff car parking.

NVQ1 QUALIFIED

AN ACCESSIBLE URBAN POPULATION

The site offers a prime position within one of the UK’s most strategically connected logistics hubs. With excellent access to major transport routes, including nearby motorways, rail freight terminals, and ports, ensuring seamless distribution across London, the Southeast, and the rest of the UK. The location provides the perfect blend of accessibility and operational efficiency, making it an ideal base for businesses looking to optimise their supply chain and grow their reach.

IMPORTANT Notice Particulars: These particulars are not an offer or contract, nor part of one. You should not rely on statements by CUSHMAN & WAKEFIELD, LSH and DTRE in the particulars or by word of mouth or in writing ("information") as being factually accurate about the property, its condition or its value. Neither CUSHMAN & WAKEFIELD, LSH and DTRE nor any joint agent has any authority to make any representations about the property, and accordingly any information given is entirely without responsibility on the part of the agents, seller(s) or lessor(s). Photos etc: The photographs show only certain parts of the property as they appeared at the time they were taken. Areas, measurements and distances given are approximate only. Regulations etc: Any reference to alterations to, or use of, any part of the property does not mean that any necessary planning, building regulations or other consent has been obtained. A buyer or lessee must find out by inspection or in other ways that these matters have been properly dealt with and that all information is correct. VAT: The VAT position relating to the property may change without notice. August 2026. Designed by Cormackadvertising.com
